ORS 161.336(6)

The community mental health and developmental disabilities program director, the director of the facility providing treatment to a person on conditional release, any peace officer or any person responsible for the supervision of a person on conditional release may take a person on conditional release into custody or request that the person be taken into custody if there is reasonable cause to believe the person is a substantial danger to others because of mental disease or defect and that the person is in need of immediate care, custody or treatment. Any person taken into custody pursuant to this subsection shall immediately be transported to a state hospital designated by the Mental Health and Developmental Disability Services Division. A person taken into custody under this subsection shall have the same rights as any person appearing before the board pursuant to ORS 161.346.
