## In-Custody Death Update

The Jackson County Sheriff's Office Medical Examiner has completed the autopsy for Scott Chappell, 01/06/68 of Eagle Point. The medical examiner is currently waiting on toxicology results to return. This could take anywhere from six to ten weeks.

Once those results are returned to the Jackson County Sheriff's Office, the Medical Examiner will complete his autopsy findings and that information will be released to the media.

The case will be forwarded to the Jackson County District Attorney's office for review.
