III. Narrative: On 17 September 2006 at 1810 Portland Police and a Multnomah County Deputy approached the intake door and stated that they had a combative Inmate the car that was spitting and trying to bite the officers. Myself Dep. Mcelhaney and Dep. Hollenbeck went out to the vehicle where I observed Inmate Chasse in the backseat of the vehicle yelling, and he had some blood on his face. An unknown Deputy opened the door and put a spitsock on Inmate Chasse. Myself and Dep. Mcelhaney pulled Inmate Chasse out of the vehicle and along with Dep Hollenbeck and the Police officers carried Inmate Chasse who was handcuffed and had rip restraints attached to Sep Cell#1 where we placed him face first on the floor. During this entire time Inmate Chasse was kicking and trying to bite us even though he had a spit sock on. A deputy retrieved the scissors and Dep Mchelhaney cut the rip restraints off and I handed the PPB officer my handcuff key and he removed the handcuffs. We all then exited the cell. At that time, I heard someone say that it appears that Inmate Chasse was not breathing. I called medical staff and they responded and when they arrived it appeared he was breathing again. The Sep Cell was opened and they looked at him and decided that he was to unstable to be booked. I then went over to Transfer and retrieved a set of leg irons and Myself, Dep. Mcelhaney and Dep. Hollenbeck reentered the cell and I applied leg irons and another Deputy applied the handcuffs. We then picked the Inmate up and I was holding his leg and when we did Inmate Chasse again started kicking at us and attempting to bite us. We then placed Inmate Chasse in the vehicle in the backseat on his side. The door was closed and we returned to Reception without further incident.
