Re: Public Records Requests dated February 11, 2008 and March 27, 2008

Estate of James Chasse Jr. v. Christopher Humphreys et al.
USDC No. 07-189 HU
Risk Mgmt No. G2007-0094-01 MS

Dear Mr. Steenson:

Enclosed please find the City's estimate to respond to your February 11, 2008 public records request. If you still want the requested information please sign and return the form with a check for half the amount. No further work will be done to respond to your February 11, 2008 request until I receive the completed form and check. Assuming you still want this information, as soon as I have the final figure, I will let your office know the actual cost. Payment of the outstanding balance will be required to obtain the documents.

The "Use of Force" database referenced in your March 27, 2008 public records request has not been updated. That information was created to respond to a public records request for a specific period of time.

Sincerely,

Cheryl Noll
Paralegal
