Kevin, we will work with you. Cherise is my Assistent and she will send you separate emails on the scheduling of the advisory council.

I would like you to ask to not reply to all if you have any issues with invitations, to just write back to me and to Cherise so we don't flood others email. :-)

Thanks,

I would like you to ask to not reply to all if you have any issues with invitations, to just write back to me and to Cherise so we don't flood others email. :-)
