Dear Applicant and Affected Parties,

OHA received, on May 5, 2017, additional materials from NEWCO as part of the informal hearing record. That record is now closed. In order to OHA to have adequate time to review and analyze the information provided by NEWCO, OHA is asking the parties to agree to an extension of time for OHA to issue its final decision on the application. OHA is asking for an additional 30 days, which would mean issuing a decision no later than June 10, 2017.

OHA appreciates your consideration of this request. **Please reply to this email to let us know no later than 5:00 p.m. May 10, 2017.**

Respectfully,

### Dana S Selover, MD MPH
