

Health System Division
4/2/2019

Below is the data regarding SRTF Denials from KEPRO subsequently reviewed by Health Systems Division.
Data is from 1/1/2019 through 3/31/2019

SRTF Denials Reviewed by HSD	Civil	Forensic	Totals
Overtured	17	27	44
Extend for Transition	9	28	37
Uphold Denial	6	1	7
Yet to be reviewed	10	12	22
Total	42	68	110

- **Overtured** meaning these individuals received a 180 day approval.
- **Extended for Transition** which means these individuals received a 180 day approval for transition activities and staff are following up with providers on transition activities.
- **Upheld denials** are where the individual is actively in transition and have stepped down by the time of this report.
- **Yet to be reviewed** by HSD Staff, who are in the process of requesting and receiving information from KePro or Providers.
- **Civil Population** is either Individuals who are Civilly Committed or placed Voluntary by Guardian
- **Forensic Population** is either individuals under the jurisdiction of the PSRB or a Judge placing the individual for Aid and Assist Restoration
